

# UMNGENI COMMUNITY SAFETY INITIATIVE (NPC) INDIVIDUAL CAPEX PLEDGE FORM

**UMNGENI  
MUNICIPALITY**  
endorses the  
**UCSI NPC**

Thank you for the overwhelming support of the UCSI NPC in its efforts to provide technology in order to make our communities safer. The UCSI NPC is reliant on community funding and due to the popular demand by local individuals, business entities, estates and the likes, the UCSI NPC has designed an individual capex pledge form that allows for ANY individual, in their personal capacity, to make a one-off donation to the UCSI NPC.

All donations are accounted for and records are kept by the appointed auditors, namely Barker Tilly, located in Howick.

Challenge other individuals or business entities to contribute to this safety initiative.  
Challenge those who live in the same Estate or Complex as you to donate.  
The power is in the NETWORK of ANPR SNIPR CCTV camera gantries erected in our community.
